2 SHORT DIALOGUES

Example 1 (receiving): Driver: '수취인 성함이 어떻게 되세요?' (What is the recipient's name?) / Me: '저는 김민수입니다.' (I am Kim Minsu.)

Example 2 (sending): Me: '택배로 보내고 싶습니다.' (I want to send a package.) / Clerk: '보내실 물건이 뭐예요?' (What would you like to send?) / Me: '보낼 물건은 이거예요.' (This is the item I want to send.)

3 TIPS

Before accepting a parcel, quickly check the packaging, and refuse it right away if there is a problem.

To speak politely, add '요' after the casual informal ending (-아/어, -지, etc.): 받을 수 없어 → 받을 수 없어요. You cannot add '요' to just any ending (not 받을 수 없어요).

4 MORE SPEAKING PRACTICE

You are at the counter to pick up your parcel. What do you say? → 택배 받으러 왔습니다.

The clerk asks what you want to send. Show the item. → 보낼 물건은 이거예요.

You want the recipient to pay the shipping fee. → 착불로 보내 주세요.

For beginners: say each expression out loud several times.
