

식당에서 주문하고 부탁하기: 핵심 어휘 10

Ten words you need in a Korean restaurant, from sitting down to paying. You learn to ask for the menu, order by the number of servings, ask for small plates, wet wipes, more side dishes or less spice, pay separately, and get a receipt. Each word has one real example sentence. The exercises ask you to use the words in new situations.

WHAT THIS IS FOR

Learners can use 10 key restaurant words (메뉴판, 인분, 주문하다, 반찬, 앞접시, 물티슈, 덜 맵게, 더 주세요, 따로 계산하다, 영수증) to make short, polite requests to restaurant staff, from ordering to paying.
