4 읽기 팁

Times use the 24-hour clock: 14:05 = 2:05 p.m. On your ticket, 3호차 12A means car 3, seat 12A.

A 매진 button is usually gray. Check both 일반실 and 특실. One may be sold out while the other is still open.

The app screen on this sheet is a made-up example. Real apps may look a little different.
