2 READ A REAL-STYLE SIGN

나가는 곳 Exit ← 1·2번 출구 | 3·4번 출구 → | 화장실 ↑ | 엘리베이터 ←

← means 왼쪽 (left). → means 오른쪽 (right). ↑ means go straight. On this sign, exits 1 and 2 are on the left, the restroom is straight ahead, and the elevator is on the left.

3 READING TIPS

Signs often use short forms: 남 = 남자 and 여 = 여자. Look for the arrow next to each word before you start walking.

In Korea, the 비상구 sign is green and shows a running person. Many signs also have English words, but read the Korean first. It is usually bigger.
