## 3 READING TIPS

On hospital signs, a word ending in 과 is a department: 안과, 치과, 내과. F means 층 (floor), so 3F = 3층. B1 means 지하 1층 (basement 1).
On a door sign, check 진료 시간 (clinic hours) and 점심시간 (lunch break). Doctors do not see patients during lunch.

The hospital name and the times on these signs are examples, not real information.
