

몇 시까지? 어디까지? 끝을 말하는 「까지」

Learn to use **까지** to show where a time or a trip ends, usually together with **부터** or **에서**.

WHAT THIS IS FOR

By the end, you can use **까지** to say when something ends or how far you go, and use it with **부터** (start time) and **에서** (start place).

1 THE PATTERN

time + 까지 After a time word. It has the same form after any noun, with or without a final consonant.	until (the time something ends)	저는 밤 11시까지 공부해요. I study until 11 at night.
time + 부터 ... time + 까지 To give both the start time and the end time.	from (time) to (time)	월요일부터 금요일까지 일해요. I work from Monday to Friday.
place + 에서 ... place + 까지 To give the start place and the end place of a trip.	from (place) to (place)	집에서 회사까지 버스로 가요. I go from home to work by bus.
time + 까지 + request With a request or a plan that must be done by a time (no later than that time).	by (a time), no later than	내일까지 전화해 주세요. Please call me by tomorrow.

2 WATCH OUT

5시에까지 와요 (X) → **5시까지** 와요 (O): After a time word, do not put **에** before **까지**. Use **까지** alone.

9시에서 6시까지 일해요 (OK, spoken) → **9시부터** 6시까지 일해요 (more standard): For a start time, use **부터**. For a start place, use **에서**.

6시까지 **일해요** = work until 6 (all the time up to 6). 6시까지 **오세요** = come by 6 (not later). Look at the verb to find the meaning.
