# 한국어 공부법 안내 읽기: 어떻게 공부하고, 어떻게 물어봐요?

Read a Korean study-tips guide, learn common study methods, and practise asking for corrections and answering compliments.

**WHAT THIS IS FOR**

You can read a Korean study-tips guide or club notice and find the method, time and preparation. You can also ask for corrections and reply politely to praise.

## 1 STUDY METHODS IN A KOREAN GUIDE

1. **따라 말하기 (섀도잉)** (shadowing)
   You listen and repeat right after the speaker, copying speed and tone.
   예: 뉴스를 들으면서 바로 따라 말해 보세요.
2. **받아쓰기** (dictation)
   You write down exactly what you hear.
   예: 노래 가사로 받아쓰기를 하면 재미있어요.
3. **소리 내어 읽기** (reading aloud)
   You read a text out loud instead of silently.
   예: 교과서를 소리 내어 읽으면 발음이 좋아져요.
4. **단어장** (vocabulary notebook)
   A notebook or app where you collect new words.
   예: 새 단어는 단어장에 예문과 함께 적어요.
5. **덩어리로 외우기** (learning in chunks)
   You memorize a whole phrase at once, not word by word.
   예: '잘 부탁드립니다'는 한 번에 외우는 게 좋아요.
6. **언어 교환** (language exchange)
   Two people teach each other their own languages.
   예: 언어 교환 친구랑 카페에서 만나기로 했어요.
7. **일기 쓰기** (keeping a diary)
   You write a few lines about your day in Korean.
   예: 하루에 세 줄씩 한국어로 일기를 써요.
8. **자막 없이 보기** (watching without subtitles)
   You watch a show with no subtitles to train your ears.
   예: 익숙한 드라마는 자막 없이 봐도 이해돼요.

## 2 A TYPICAL GUIDE: STUDYING WITH A DRAMA

1. **한국어 자막으로 보기** (watch with Korean subtitles)
2. → **모르는 표현 적기** (note unknown expressions)
3. → **장면 따라 말하기** (shadow one scene)
4. → **자막 없이 다시 보기** (watch again without subtitles)
5. → **일기에 써 보기** (use the expressions in your diary)

## 3 LANGUAGE SENSE: ASKING FOR HELP AND TAKING COMPLIMENTS

Asking for corrections: Many Koreans won't correct your mistakes because they want to be polite. So ask them directly: "틀린 데가 있으면 고쳐 주세요." To check if something sounds natural, ask: "이 말, 자연스러워요?"
Taking compliments: Koreans often say "한국어 잘하시네요!" even after just a few words. They are encouraging you. A common modest reply is "아니에요, 아직 많이 부족해요." You can also say "감사합니다. 더 열심히 할게요." Avoid answering "네, 저 잘해요."

Korean language centres and study groups often hand out study-tips sheets like this one.

## 4 YOUR TURN

### READ, MATCH AND CHOOSE

Read each item. Then write the study method or answer, or fill in the blank. Use the study methods list for items 1 and 5, the notice in the question for item 2, and the Language sense box for items 3 and 4.

1 Write the study method from the guide that matches each sentence:
①친구가 읽어 주는 문장을 듣고 공책에 그대로 적어요.
②한국 사람의 목소리를 들으면서 바로 똑같이 따라 말해요.
③미국 친구에게 영어를 배우고, 대신 한국어를 가르쳐 줘요.

2 Read the notice and answer in English:
[한국어 말하기 모임] 매주 목요일 저녁 7시, 3층 휴게실. 처음 오는 분은 한국어로 자기소개 세 문장을 준비해 오세요. 모임에서는 영어를 쓰지 않아요.
①What should first-time members prepare?
②Which language can't you use at the meeting?

3 Choose the more natural, modest reply. A Korean says:
"와, 한국어 정말 잘하시네요!"
(a) 아니에요, 아직 많이 부족해요.
(b) 네, 맞아요. 저는 한국어를 잘해요.

4 Fill in the blank with the phrase you use to ask if something sounds natural:
이 말, ____?

5 Choose the better way to learn the set phrase "잘 부탁드립니다":
(a) 잘, 부탁, 드리다, -ㅂ니다를 하나씩 따로 외워요.
(b) 덩어리로 한 번에 외워요.

## ✓ ANSWERS

1) ① 받아쓰기 ② 따라 말하기 (섀도잉) ③ 언어 교환
2) ① A three-sentence self-introduction in Korean
② English
3) (a) 아니에요, 아직 많이 부족해요.
4) 자연스러워요
5) (b) 덩어리로 한 번에 외워요.
